ABOUT THE SWORDFISH BT CONTROLLER

Before using this product, carefully read this manual and any manuals for compatible hardware. Retain instructions for future reference.

BATTERY LIFE AND DURATION

- Do not handle damaged or leaking Lithium-ion batteries.
- The battery has a limited life span. Battery duration will gradually decrease with repeated usage and age. Battery life also varies depending on the storage method, conditions of use and environmental factors.
- Charge in an environment where the temperature range is between 10 °C - 30 °C (50 °F - 86 °F). Charging may not be as effective when performed in other environments.
- When the wireless controller is not used for an extended period of time, it is recommended that you fully charge it at least once a year to help maintain battery functionality.

USE AND HANDLING PRECAUTIONS

- Avoid prolonged use of this product. Take a break at about 30 minute intervals.
- Stop using this unit immediately if you begin to feel tired or if you experience discomfort or pain in your hands or arms during use. If the condition persists, consult a doctor.
- Permanent hearing loss may occur if the headset or headphones are used at high volume. Set the volume to a safe level. Over time, increasingly loud audio may start to sound normal but can actually be damaging your hearing. If you experience ringing or any discomfort in your ears or muffled speech, stop listening and have your hearing checked. The louder the volume, the sooner your hearing could be affected. To protect your hearing:
 - Limit the amount of time you use headset or headphones at high volume.
 - Avoid raising the volume to block out noisy surroundings.
 - Lower the volume if you can't hear people speaking near you.

• Avoid looking into the light bar of the controller when it is flashing. Stop using the controller immediately if you experience any discomfort or pain in any body parts.

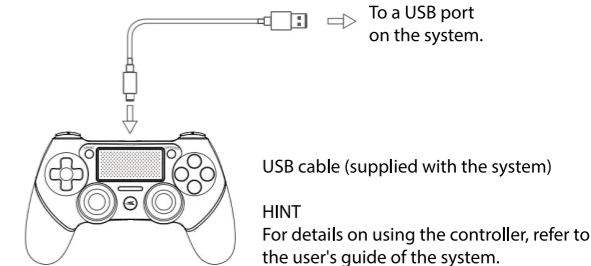

- This product is intended for use with the hands only.
- The vibration function of this product may aggravate injuries. Do not use the vibration function if you have any ailment or injury to the bones, joints, or muscles of your hands or arms.
- Note that some software titles enable the vibration function by default. To disable the vibration function, select (Settings) → [Devices] → [Controllers] from the function screen, and then remove the checkmark from [Enable Vibration].
- Do not expose the product to high temperatures, high humidity or direct sunlight.
- Do not allow the product to come into contact with liquids.
- Do not put heavy objects on the product.
- Do not throw or drop the product or subject it to strong physical shock.
- When using the motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage.
 - Before using, check that there is plenty of space around you.
 - When using the controller, grip it firmly to make sure it can't slip out of your hand.
 - Fusing a controller that is connected to the PS4 system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS4 system while using the controller.

EXTERIOR PROTECTION

- Follow the instructions below to help prevent the product exterior from deteriorating or becoming discolored.
- Do not place any rubber or vinyl materials on the product exterior for an extended period of time.
 - Use a soft, dry cloth to clean the product. Do not use solvents or other chemicals. Do not wipe with a chemically-treated cleaning cloth.

REGISTERING (PAIRING) THE CONTROLLER

The first time you use the controller, or when you want to use the controller on another system, you must perform device registration (pairing). Turn on the system and connect the controller to the system with the USB cable to complete device registration.

SWORDFISH
BT KONTROLER

Upute

O BT KONTROLERU SWORDFISH

Prije upotrebe ovog proizvoda pažljivo pročitajte ovaj priručnik i sve priručnike za kompatibilan hardver. Sačuvajte upute za buduću upotrebu.

TRAJANJE I VIJEK TRAJANJA BATERIJE

- Ne rukujte oštećenim ili propuštajućim litij-ionskim baterijama.
- Baterija ima ograničen vijek trajanja. Trajanje baterije postupno će se smanjivati s ponovljenom upotrebom i starenjem.
- Vijek trajanja baterije također ovisi o načinu skladištenja, uvjetima korištenja i okolišnim čimbenicima.
- Punite u okruženju gdje je temperatura između 10 °C i 30 °C. Punjenje može biti manje učinkovito izvan tog raspona.
- Ako bežični kontroler nije korišten duže vrijeme, preporučuje se potpuno punjenje barem jednom godišnje radi očuvanja funkcionalnosti baterije.

UPUTE I MJERE OPREZA PRI KORIŠTENJU

- Izbjegavajte dugotrajno korištenje proizvoda. Preporučuju se pauze svakih 30 minuta.
 - Odmah prestanite s korištenjem ako osjetite umor, nelagodu ili bol u rukama ili rukama. Ako tegobe potraju, obratite se liječniku.
 - Dugotrajna izloženost glasnom zvuku može prouzročiti oštećenje sluha čak i ako vam se zvuk čini normalnim. Ako čujete zujanje u ušima, osjećate nelagodu ili prigušenost zvuka, odmah prekinite korištenje i provjerite sluh.
- Za zaštitu sluha:
- Ograničite vrijeme korištenja slušalica pri visokom volumenu.
 - Izbjegavajte pojačavanje zvuka kako biste nadjačali buku iz okoline.
 - Smanjite glasnoću ako ne čujete osobe koje govore blizu vas.

• Nemojte gledati direktno u svjetlosnu traku kada treperi. Prestanite koristiti kontroler ako osjetite bilo kakvu nelagodu ili bol u tijelu.

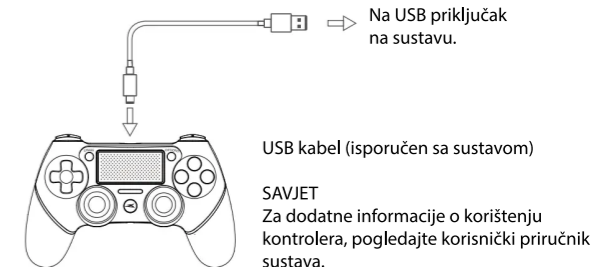

- Ovaj proizvod je namijenjen isključivo za korištenje rukama.
- Vibracijska funkcija može pogoršati postojeće ozljede. Ne koristite vibraciju ako imate ozljede kostiju, zglobova ili mišića u rukama. Neki softver omogućuje vibraciju po defaultu. Za isključivanje idite na Postavke → Uređaji → Kontroleri i uklonite kvačicu s 'Omogući vibraciju'.
- Ne izlažite proizvod visokim temperaturama, vlazi ili direktnoj sunčevoj svjetlosti.
- Izbjegavajte kontakt proizvoda s tekućinama.
- Ne stavljajte teške predmete na proizvod.
- Ne bacajte, ne ispuštajte i ne podvrgavajte proizvod jakim udarcima.
- Kada koristite funkciju senzor pokreta, pripazite na sljedeće:
 - Provjerite da oko vas ima dovoljno prostora.
 - Držite kontroler čvrsto kako vam ne bi ispao iz ruke.
 - Ako koristite kontroler s USB kabelom povezan na PS4, osigurajte da ima dovoljno mjesta kako kabel ne bi udario osobu ili predmet.
 - Pazite da ne povučete kabel iz sustava dok koristite kontroler.

ZAŠTITA VANJSKE POVRŠINE

- Slijedite ove upute kako biste spriječili propadanje ili promjenu boje kućišta proizvoda.
- Ne stavljajte gumene ili vinilne materijale na kućište kontrolera kroz dulje vrijeme.
 - Za čišćenje koristite meku, suhu krpu. Ne koristite otapala ni kemikalije. Ne brišite krpama tretiranim kemijskim sredstvima.

REGISTRACIJA (UPARIVANJE) KONTROLERA

Prilikom prvog korištenja kontrolera ili ako ga koristite na drugom sustavu, potrebno je provesti uparivanje uređaja. Uključite sustav i spojite kontroler na sustav pomoću USB kabela za dovršetak registracije.
