

CAUTION: Please make sure you attach same monitors on the table stand otherwise the table stand might be inverted. Also, while you are installing a monitor on the one side, another person should hold the other side of the mount to keep the table stand stable.

CAUTION: DO NOT use the display beyond the arrow range, avoid tipping.

CAUTION: If you adjust the VESA plate on the one side, another person should hold the other side of the mount to keep the table stand stable.

Note: If the display does not stop at your desired position, tighten the screws as shown.
